

Club Mount Maunganui Inc.

Accommodation List

Here are the contact details for accommodation reasonably close to the Club. (think short van ride or Uber).

Our recommendation is the Quest which is a new build less than a year old with great feedback from anyone who stays there. Plus it has the bonus of being within walking distance of the Club and smack in the middle of the main street for access to a few late night venues and eateries.!

I've also included plenty of other options to cater for all needs.

Please contact your choice directly to make your booking.

Cheers

Fred
