APOLOGIES: David Dalton (Clubs NZ)

A moments silence was observed in memory of those who have passed on.

Minutes of 2024 Delegates Meeting were taken as read. Confirmed Waipa/Tauranga

MATTERS ARISING: Tuakau Club confirmed that the dates of next year's tournament would have to remain as 23rd & 24th January 2026 as the Tuakau Golf Club could not accommodate this tournament any other weekend. This is what the Club can manage and a pamphlet was handed out with information regarding this tournament. E. Wilson from South Taranaki Club queried these dates as this is the same week that Tauranga hold their 5 day tournament so changing the dates will take out some teams from that area. Last year we had 80 players and this year 60 so if we get any less then the tournament would not be viable financially. Sally Hobbs from Whangamata was concerned whether we would get enough teams to enter. Tuakau Club once again stated that this date cannot be changed as this is the only date available for the golf course. Bryan Burt appreciated the comments but as Tuakau cannot change these dates this would have to stand. It would be a choice for each club to make whether they can attend. It was mentioned that maybe in future each club could look at having two dates available.

An application to host the 2027 event was tabled from Tauranga Citizens Club. Karen Collins provided some information packs on the tournament and spoke regarding the application.

GENERAL BUSINESS: Bryan Burt explained what happens at the Club tomorrow night regarding raffles and meals.

It was asked if there was a safe place at the Dannevirke Golf course to leave clubs overnight. Bryan responded to that question.

It was asked if the minutes of the previous meeting and the agenda be forwarded to each club before the delegates meeting in future. This request would be sent to Clubs NZ for consideration.

Meeting closed at 7.10pm
