Apologies: Albie Bennett (Petone Workingmens), Darryl Jensen, Scotty Friend & Alan Bush (Tauranga Citizens)

A minutes silence held in remembrance of those that have passed away.

Minutes of last delegates meeting held at Hamilton Cosmopolitan Club were unavailable. Paul summarised that there wasn't anything of any contention in the minutes and would supply.

2025 North Island Over 60's Tournament to be held at Hamilton Cosmopolitan Club

2026 North Island Over 60's Tournament to be held at Tokoroa Club

General Business:

Paul updated the membership on the writing of rules for the Over 60's Singles Tournament – still a work in progress but will hopefully have something in place to pass at next years AGM. We are looking at doing something similar for the Pairs and likewise would like to think we will have something in place for next years tournament. If anyone has any thoughts on what should be in, please contact Paul.

Some discussion was held around the Foul and Miss rule – It is believed that the Masters rule for Foul and Miss was adopted sometime ago and that is the rule that Over 60's tournaments play by. If players wish to change the rules it needs to be in the form of a remit to next years AGM, notified 21 days in advance. If it passes that stage, it would then be adopted at the next tournament.

Paul thanked Tokoroa Club for hosting this year's tournament and is looking forward to hosting next year's tournament

There being no further business, the meeting closed 8.15am
