

To Club snooker convenors. Please read and consider before ClubsNZ 2024 South Island Snooker Pairs tournament in Gore on August 1,2+3.

To avoid further confusion and update our Dress Regulations with current practice, we intend to submit the following remit for the AGM at Gore.

The existing wording is as follows:

Rule 7 Dress.

- (a) A reasonable standard of dress must be maintained whenever playing or refereeing during the tournament. Dress Shoes, Trousers/Slacks or Dress Skirt, Dress Shirt/ Blouse (long-sleeved and fastened at the cuff) must be worn during all tournament play from the semi-final stage onward, and while refereeing same. A Tie or Bow Tie, and Waistcoat or Club Jersey, may be worn if desired. Short or long-sleeved, matching, monogrammed club shirts (with or without ties) shall be permitted if worn by both team members. T-shirts, Tank-tops, Sports Shoes, Jeans, Jandals, etc. will not be permitted.**
- (b) The Dress Standard is to be administered and strictly reinforced by the Host Club.**
- (c) Any player who is unable to meet the Dress Standards due to medical reasons is to provide a medical dispensation to the Host Club at time of registration.**

We propose to simplify these to read as follows:

- (a) A reasonable standard of dress must be maintained whenever playing or refereeing during the tournament. Dress standard shoes, trousers/slacks or skirt, shirt/blouse (long-sleeved and fastened at the cuff) are recommended. Short or long-sleeved, matching, monogrammed Club shirts are permitted if worn by both team members.**
- (b) The Host Club shall be responsible for ensuring a player's standard of dress is acceptable.**
- (c) Dispensation may be permitted for medical reasons if applied for at the time of registration.**

Proposer: Colin Bowden, Club Waimea. Seconder: Phil Chivers, Richmond Club.
